ii. Executive Summary of the Annual PHA Plan

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

The Higginsville Housing Authority's 2000 Annual Plan is a document that serves several purposes. First, The Annual Plan gives evidence that all mandatory policies and procedures have been implemented. Policies and procedures are largely based upon directive from the Department of Housing and Urban Development. These policies and procedures foster sound management and provide tenants with protections and opportunities. Secondly, the Annual Plan documents the current fiscal soundness of the Higginsville PHA. And finally, the Annual Plan includes a section on needed physical improvements through the FY 2000 Capital Fund Program 5 Year Action Plan. This element of the Annual Plan will serve as a useful tool in future improvements to both the physical condition of Higginsville's PHA and to the quality of life of our residents.

Higginsville's PHA, through its Board of Directors, Residents Advisory Board and Management, places its highest priority upon its customers. We will continue to maintain a high level of customer

satisfaction, while always searching for innovative approaches to addressing new demands.

The animal shall be maintained so as not to be a nuisance or a threat to the health or safety of neighbors, PHA employees, or the public, by reason of noise, unpleasant odors or other objectionable situations. If PHA receives complaints, the owner will have to remedy the situation, or will be subject to termination of their lease.
6. Each pet owner shall be fully responsible for the care of the pet, including proper disposal of pet wastes in a safe and sanitary manner. Improper disposal of pet waste is a lease violation and may be grounds for termination. It is the pet owners responsibility to pick up any pet waste that is deposited on the Housing Authority property. These deposits are to be picked up immediately, so that they are not a problem for maintenance personnel or other tenants. If maintenance personnel picks up any pet waste, the pet owner will be charged \$5.00 for each and every deposit they remove. All deposits shall be placed in plastic bags and disposed in waste containers in a safe and sanitary manner. If you have questions please check with the office during normal working hours.

- b. Proof of inoculation and licensing.
- c. Proof of neutering or spaying. All female dogs over the age of six (6) months and female cats over the age of five (5) months must be spayed. All male dogs over the age of eight (8) months and all male cats over the age of ten (10) months must be neutered. If health problems prevent such spaying or neutering, a veterinarian's certificate will be necessary to allow the pet to become or continue to be a resident of the community.
- d. Payment of an additional security deposit of \$250.00 plus \$10.00 per month non refundable payment for management fees. There shall be no additional security deposit for pets other than dogs or cats. The additional security deposit shall not preclude charges to a resident for repair of damages done on an ongoing basis by a pet.
